Brent,

This is a follow up to our recent phone conversation regarding a meeting time on May 6 to discuss the Los Alamos MS4 designation. I spoke with representatives from both Los Alamos County and NMDOT about their interest and availability to meet with you on May 6 prior to the LANL IP public meeting. All parties would like to meet, so Bryan Aragon with the county has reserved room 330 in the Los Alamos County Municipal Building (1000 Central Ave) with a proposed start time of 3 pm. We also recognize that the start time may be delayed as you are coming from Albuquerque. We are all working on some questions for this meeting and will submit those to you early next week for your consideration ahead of the meeting. Thank you for your willingness to meet.

Terrill
